150. The method of claim ~~110~~ or ~~116~~, wherein the therapeutically effective amount of the compound is between about 25 mg/kg to about 40 mg/kg of body weight.

REMARKS

Applicants respectfully request entrance of the amendments as detailed above, in the continuation application filed herewith under 37 C.F.R. § 1.53(b). Applicants respectfully submit that no new matter is presented with these amendments. Applicants respectfully submit that this preliminary amendment is requested to amend claim 1 (to present the subject matter of original claim 1 and original claim 5, which claims were not pursued in the parent application (now patent number 6,242,469)), and to present additional claims (59-150) for certain subsets of compounds of the invention that were not pursued the parent application, support for which can be found throughout the specification and Figures. As required, Applicants have submitted herewith a replacement for claim 1 and a marked-up copy of claim 1.

Applicants would like to thank the Examiner in advance for review of this request. If it is believed that a telephone conversation would expedite matters, the Examiner is invited to contact the undersigned at (617) 248-5216. Although it is believed that there is no fee associated with this amendment, if Applicants are mistaken, please charge any fees to our Deposit Account No.: 03-1721.

Respectfully Submitted,

Karoline K. M. Shair
